WE RELOCATE PEOPLE

## **MOVING BY AIR**

Moving overseas can be confusing and difficult. Choosing the right moving company is a critical task in overseas moving. Each country has special conditions and requirements for people moving abroad and our Support Team will work with you to make your international move safe and easy. From the minute you begin to plan your move to the day your belongings arrive at your new home, ALPHA MOVE tailors a solution to complete your move including every special detail, flawlessly.

### **AIR FREIGHT**

When time is of the essence air freight can be in some cases a reasonable and fast alternative to ocean freight, mostly for your personal effects. Whether there is a need for consolidated or direct air service, our expert professionals are ready to route your goods to or from almost any point in the world. To meet your freight deadlines, you need a global air freight provider serving major business centers worldwide.

### **TRANSIT TIMES**

Due to an ever increasing demand for shorter transit times internationally, we utilize premium carriers with established routings for our consolidations. Many different options are available for the most competitive and reliable air freight forwarding service.

Air freight services are available with transit times ranging from 24 hours to 5-7 days but through the high security demands on airports worldwide and the much more sensitive customs clearance since 9/11 airfreight shipments are averaging at the moment approx. 10 to 15 days transit times.
