

ALPHA MOVE
WE RELOCATE PEOPLE

10 REASONS TO RELAX!

You want to team with a partner who knows the moving business?

Both founders of ALPHA MOVE have a combined experience of more than 35 years in the international transportation industry and are involved in the day-to-day activities of the company ensuring a personal service with each and every move. ALPHA MOVE is your single point of contact to an international agency network of high qualified moving companies with offices in more than 150 countries all over the world.

It's our job to take care of the details!

We've developed a move management process - a comprehensive series of proactive checks, double-checks, and ongoing communication that ensures attention to all the details every step of the way.

You can count on our quality!

No matter where in the world your dreams and goals lead you – our agents will apply highest standards to every move. Based on "best practices" from around the world, our procedures and materials ensure customer happiness at both ends of your move.

Your goods are packed by skilled moving crews!

Trained and experienced moving crews use materials and techniques specifically designed for international shipments - protecting your goods from shock and vibration, as well as temperature and humidity extremes along the way.

We offer comprehensive transit protection!

Our full-replacement-value coverage will give you an extra safeguard against loss or damage. It will give you the confidence of knowing that your household goods and personal effects are covered at all times and, if a claim does arise, we'll arrange for repair and/or replacement as quickly as possible.

Sometimes you have to hold down costs!

So, we do. As a large trading partner of many of our suppliers, we are able to command premier, service at highly competitive prices. This is your assurance that your shipment will be handled in the most timely and cost-efficient manner possible.

We keep you informed every step of the way!

Your shipment is carefully planned, coordinated, and monitored by your personal Move Manager and our Support Team. They will keep an eye on every detail and will inform you about every important step of the way. They can be reached by phone but also per e-mail to make sure that you can communicate at your convenience without worrying about the time differences, office hours, waiting time and expensive telephone charges. We will call you back or contact you by returning e-mail - guaranteed within 24 hours.

We add value - and deliver peace of mind!

ALPHA MOVE helps ease the transition for families on the move through an array of added-value services - from expert advice on shipping restrictions and customs requirements, to short- and long-term storage, to help in relocating pets, boats and automobiles.

You are not supported by an employer and want to move by "Do-It-Yourself"!

We are often contacted by people who want to relocate overseas, but are not being supported by any employer. Therefore they are looking for ways to do as much as possible on their own to save costs-- and are willing to pack and even load their container themselves, and also unload their containers at destination. For those individuals we have with our "Self-Service-Program" a solution as well.

With us you are in good hands!

ALPHA MOVE provides consistent top-quality services that come from single-source control of your shipment from origin to destination.
