

**ALPHA MOVE**  
WE RELOCATE PEOPLE

## **WHAT WE DO!**

ALPHA MOVE LLC & CO KG is a national and international operating move management and forwarding agency with years of experience in worldwide transportation of personal effects and household goods providing our services to individuals and corporations at affordable prices. We established a premier network of moving and shipping companies around the globe to utilize the best crews and packing materials in each market.

We are here to help you in every aspect of your move. Whether you are moving across town or across the world, we know what it takes to make your move successful and stress free every time.

ALPHA MOVE is responsible on a door-to-door basis. We control and coordinate your move from initial consultation through to final delivery and unpacking, giving our customers the piece of mind and confidence that everything is taken care of throughout the move.

We are specialized to satisfy the needs of individuals and their moving families, as well as corporate transferees and their relocation managers. Moving your family and valuables can become stressful. Relax, and let us handle the details of your relocation. We will take care – that's what we do!
